

Farid Shafiyev: Uzbekistan's chairmanship in the OTS gave a new impetus to its development

The Chairman of the Center of Analysis of International Relations Farid Shafiyev shares his opinion:

The 8th Meeting of the Official Foreign Policy Research Centers of the Member and Observer States of the Organization of Turkic States is taking place in a very difficult period from a geopolitical point of view. The OTS continues to develop and Uzbekistan's chairmanship in this structure has given a new impetus to its institutional and organizational development. The high level of organization of the event, the quality of discussions, and the hospitality distinguish the approach of the Uzbek side to the OTS. This will undoubtedly become an important contribution to the intellectual development of expertise within the Organization.
