

Presidents get acquainted with Industrial Exhibition at Technopark

President of the Kyrgyz Republic Sadyr Zhaparov, accompanied by the President of Uzbekistan Shavkat Mirziyoyev, has visited Technology Park in Tashkent.

This modern complex was established under the Presidential Resolution of May 1, 2019 “On measures for further development of industrial cooperation and expansion of production of popular products”. 17 projects worth \$365 million are being implemented here.
