

# The guarantee of unity of society and the prosperity of the Country

Special Faculty of the Tashkent University of Information Technologies named after Al-Khorazmiy held a conference to discuss essence and significance of the Holiday Greeting of the President of the Republic of Uzbekistan, Supreme Commander-in-Chief of the Armed Forces Shavkat Mirziyoyev on the occasion of the 26th anniversary of the Armed Forces of the Republic of Uzbekistan and the Day of Defenders of the Motherland.

The conference was attended by representatives of the Institute for Strategic and Regional Studies under the President of the Republic of Uzbekistan, the Ministry of Defense, the Academy of the Armed Forces of the Republic of Uzbekistan, the Chirchiq military high school, the Yunusabad District Council of the Union of Youth, teachers and cadets of the Special Faculty of the Tashkent University of Information Technologies.

Speaking on the topic of "The Armed Forces is a reliable guarantee of the stability of society, further progress and prosperity of the country," the conference participants noted that the Day of Defenders of the Motherland became truly a national holiday in our country, embodying such high civil qualities as patriotism, devotion to the Motherland, bravery and courage.

In his speech the President, the Supreme Commander-in-Chief of the Armed Forces made specific decisions on many important issues in the field of military development to strengthen the country's defense potential and to develop the Armed Forces of Uzbekistan.

The greatest interest of participants attracted the speeches of the Head of the department of the Institute for Strategic and Regional Studies under the President of the Republic of Uzbekistan Bahrom Sotiboldiev and the acting Head of the department of the Special Faculty of TUIT, Lieutenant Colonel Alexander Kostin. During the seminar, they exchanged their proposals on improving of the training quality of military scientists for the defense industry of Uzbekistan.

In their speeches the employees of the Armed Forces of G. Hoshimova and D. Khusanova, as well as other participants of the conference noted that Ministry of Defense conducted a large-scale work aimed at enhancing the social protection of servicemen, their families and veterans.

Participants underlined the need to form a firm life position and responsibility for the defense of the Motherland, further improvement of the unique system of patriotic development of youth, covering the widest sections of the population.

Summing up the discussion, all the participants of the conference unanimously noted that the further development, increasing the combat readiness and combat capability of the Armed Forces, continues to be the focus of the country's leadership.

Because of purposeful large-scale reforms under the leadership of President S. Mirziyoyev, the national army has become an integral part of our society, a reliable guarantor of stability and prosperity of the country, an important institution of patriotic education of youth and military personnel.
