

Nurafshan hosts an out-of-schedule session

An out-of-schedule session of Tashkent Regional Council of People's Deputies is being held in the city of Nurafshan. It is attended by the President of the Republic of Uzbekistan Shavkat Mirziyoyev.

The Head of the state congratulated the audience on the upcoming Navruz holiday. He noted that Tashkent region plays a leading role in the development of the country.

"Tashkent region has a huge potential for the industry, agriculture, trade and services. Therefore, we have big plans for the region. But the corresponding result is not visible, middle managers "do not pull the cart". Today we do not need hokims dealing with cotton and grain. Cotton and grain should be dealt with by those for whom it is of interest. The hokim must correspond to modern realities, know the priorities well and be able to use them, must be able to satisfy the needs of 2 million 994 thousand people living in the region", said Shavkat Mirziyoyev.

An organizational issue was considered at the session. The Head of the state recommended the candidacy of Davron Khidoyatov, the Acting Head of the region, for the post of Hokim of Tashkent region.
