

Meeting with representatives of Chinese academy of international problems

The Institute for Strategic and Regional Studies under the President of the Republic of Uzbekistan held meeting with the delegation of the Chinese academy of international problems (CAIP) under the Ministry of Foreign Affairs of the People's Republic of China headed by Vice President Xu Jian.

During the conversation, the sides exchanged views on the prospects for bilateral relations in the context of the results of the first state visit of the President of the Republic of Uzbekistan Sh.M.Mirziyoyev to China in May last year, as well as further development of the SCO. Great attention was paid to international initiatives of Uzbekistan aimed at ensuring regional security and development in Central Asia.

The parties emphasized that the agreements reached in May 2017 between the leaders of Uzbekistan and China brought the strategic partnership of the two countries to a qualitatively new level. The signing of bilateral agreements has created new conditions for the further development of Uzbek-Chinese cooperation in trade, economic, investment, financial and other spheres.

At the same time the sides discussed the issues of further development of scientific partnership between the ISRS and CAIP.
